Dear Sirs,

The National Trust, Trelissick Estate, Feock – Public Rights of Way and National Trust Permissive Paths.

I understand from previous correspondence with your Department that I should contact you concerning the above.

I enclose herewith, by way of deposit under section 31(6) of the Highways Act 1980, plans showing the extent of the National Trusts ownership of land at Trelissick. I have indicated in red on the plans all the definitive rights of way and confirm that there are no other public rights of way on the property.

I would be grateful if you could confirm that this is in order and let me know if there is more I should do.

Yours faithfully

George Thomas
