Dear Sir

HIGHWAYS ACT 1980 - PUBLIC RIGHTS OF WAY

The Forestry Commissioners on behalf of the Minister of Agriculture Fisheries and Food wish to deposit a map under Section 31(6) of the above Act in order to negative any intention to dedicate new rights of way over land vested in the Minister. The map will be based on the current definitive map published under the provisions of the National Parks and Access to the Countryside Act 1949.

As you know, this section of the Act is not binding on the Crown unless by Section 327 the appropriate authority (in this case the Minister) in relation to any land agrees with the highway authority that Section 31(6) of the Act shall apply to such land. I would be grateful if you would confirm that your Council is prepared to enter such an agreement.

Yours faithfully
