Dear Mr.Davis,

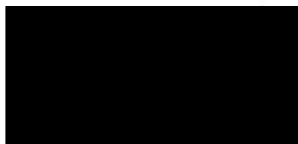

9-10 Symons Terrace, Redruth

I have noticed that people use my car park area as a short cut from the New Cut Car Park through to Symons Terrace.

Whilst I am not particularly unhappy about this I am not prepared for it to become a public right of way.

A plan of the area in question coloured red is enclosed for your file and perhaps you would confirm that this is acceptable.

Yours sincerely,

Anthony Kirk FRICS
