Dear Sir,

Leats Car Park – Mylor.

The Parish Council wishes to place on record that the Leats Car Park, off Lemon Hill, Mylor is under direct ownership of the Parish Council. Whilst a pedestrian right of way exists allowing residents of New Row access to their properties, and a permissive right of way has been granted for vehicular access, the Parish Council has no intention of creating a public right of way.

Yours faithfully,

J G Osborne
Clerk, Mylor Parish Council.
