

The lines drawn on the Definitive Map show the legally correct routes of Public Rights of Way. However there may be instances where, in practical terms, amendments may be appropriate by further order in due course.

The fact that this map does not show a Public Right of Way does not mean that such rights may not be the subject of a current claim or claimed and proved sometime in the future.

This plan has been produced specifically to supply an individual with value added Local Authority information. It remains the property of C.C.C., and must not be copied.
