The fact that this order map does not show a Public Right of Way does not mean that such rights may not be the subject of a current claim or be claimed and proved sometime in the future.

Where any plan annexed to an Order shows existing Rights of Way, their location and extent will have been transposed from the Definitive Map of Public Rights of Way. The precise line of a Right of Way can only be determined by reference to the Definitive Map.

The County Council cannot accept responsibility for any error or inaccuracy that may arise from the transposition to a different scale of information contained in the Definitive Map.
