Dear Sirs

I wish to lodge the following statement with Caradon District Council and Cornwall County Council:

**'There are no existing Rights of Way, and we have no intention of making any Rights of Way, or any form of public access, over the paths or land shown on the attached map (edged with a green line)'**

For clarification purposes, there is an unclassified road running through our land (marked on our map in red) which is used as a 'green lane' by the public, however, due to inadequate sign-posting the public are unsure of its direction. Obviously, this road is a public highway and the general public have access to it at all times (it is excluded from our map and the above statement).

Yours truly,

Janise Philp
